

### **We can organize a PCR or Antigen test for you during your stay!**

Schedule your testing time according to the date of departure. You can register at the reception at any time. Registration can be done till 12 a.m. on the day before the desired test date. Tests are performed all days of the week except Sunday. When registering, please prepare the following information: name and surname, date of birth, desired date of testing, date of departure, residential address, e-mail and telephone number. Payment is made at the reception. Price per test:

- **Rapid antigen test 125 kn / 17 €**
- **PCR 469 kn / 63 €**

You will receive detailed information about the time and place of the test during your registration at the reception. Test results are available to you up to 24 hours for PCR and up to 2 hours for Antigen test. The reception will contact you when the results are ready and you can get them in paper form.
